## JUNE 2010

### Message from America

Further to the last newsletter regarding Joe Russell's demonstration of honour and Integrity I have received a small parcel from America.

The parcel was from Master Marcus Robby who trains and teaches in Texas, U.S. A.

He has sent me a personal letter thanking Joe and myself for what we did at the ITS competition where Joe used hand only when Master Robby was injured and went in light. He said of Joe:

***“ He is truly gold in my eyes”***

And also in the parcel is the bronze medal he won, that he wants to give to Mr. Joe Russell. This is a fine example of integrity!

### Administration Time

For the benefit of all students please can you arrive earlier and see me if you need any administration done. i.e. Licence renewal, competition paperwork, grading paperwork etc. As this will reduce training time.

The academy rule is that all fee paying and administration is done prior to commencement of the class.

Time after training is for any training questions a student may have.

### Payment by standing order

This is the preferred method of fee collection as it means less impact on yourselves with having to draw cash out or write a cheque and training time.

Please can you make sure the electronic transfer is done for the 1st of every month and you put the students name as a reference, otherwise I will not know who the payment is from or for.

### Licence Renewals:

Eldredd Chester 31/05/2010

Joe Hunt 31/05/2010

William Cummings 30/06/2010

Russell Nicholls 30/06/2010
