Student of the Month

December 2007 goes to:

Reiss Bowdidge

For his famous radio interview on Essex FM to help grow the Chelmsford Academy.

Student of the Month

Student of the month is to honour the chosen student for the month, who, for what ever reason has stood out for that

month and is to be congratulated and praised. It also encourages others and is a positive means of promoting the academy.

Defacing the persons image, is totally unacceptable as it can have a negative effect on potential new students and also current students who would like the recognition.

Chelmsford Expansion Programme

It is now time to find a larger venue so that the Chelmsford academy can expand.

We will either get larger hall space at Dovedale or have to move as I believe that one of the main reasons Chelmsford has not grown to its full potential yet is the fact that we look 'Full'

If you know of any available hall space in Chelmsford on the same nights, or possibly a Tuesday night, please let me know.

Referral Programme

A reminder that we run a referral scheme that if you introduce a new student, when they have paid for a licence & dobuk you get a free coloured belt grading for yourself.
